PS 1 Celebrates the Arts

Throughout December, PS 1 students had various opportunities to showcase their artistic talent to families and the community.

Our fifth graders shared their ballroom dancing moves and technique at the Dancing Classrooms Culminating Event on December 7th. With impressive dance steps with their partners, the audience of families, teachers and students were impressed with the poise and self-discipline the dancers exhibited. This was an opportunity for all of us to join together to celebrate our fifth graders on a job well done.

The ballroom dancing festivities continued as our student team represented the school at the Dancing Classrooms semifinals event on December 12th. Our 5th grade team received the bronze medal at the end of the night. Bravo!

On December 13th, our PreK, Kindergarten, and 2nd grade classes celebrated the season with our annual Winter Assembly. Students decorated the auditorium with multilingual holiday greetings and seasonal artwork. The audience was treated to dancing and songs in both English and Mandarin.

We look forward to enjoying and sharing more of our multicultural arts in 2019!
