EMBRACING THE ARTS!

PS 130 continues to embrace its vision of *Excellence in Education – Enrichment of all Children*. On May 31st, our Parents Association held our 17th Annual Arts Benefit in Chinatown in its efforts to continue all of our amazing arts partnerships and arts programs at PS 130. It was a magical evening! Our children continue to show how they are the biggest “broadcasters of joy,” and how the arts can create a more positive attitude in their academic and social-emotional learning. We are truly thankful to the tremendous amount of collaboration, dedication, enthusiasm, and support of all our parents, teachers, leaders, and community members.
