Pride in our graduates!

We are very much looking forward to our first graduating high school class walking across the stage on June 21st. These are our first International Baccalaureate Diploma Program candidates. They have been accepting to over 100 college and universities, in thirty states and three countries. Among this talented group, we are particularly proud of two award winners, Alex Rosado, recipient of the Yankees Stonewall Scholarship, and Luna Rodriguez, UFT Pride Scholarship winner.
