

Link Up: The Orchestra Moves A Carnegie Hall Performance

Our third and fourth grade students are participating in this Carnegie Hall program for the second year. *Link Up: The Orchestra Moves* allows children to join the orchestra in this highly participatory program, in which they learn to sing and play an instrument in the classroom and perform with a professional orchestra from their seats at a culminating concert at Carnegie Hall.

Our music teacher procured a grant providing program materials, including teacher guides, student materials, concert scripts, and concert visuals. The program supports our ongoing commitment to arts education in our school, where we have a full-time dance program for all of our students, art instruction, enriching arts experiences with *Studio-in-a-School* and film making classes for grade 2, 3 and 4 with *Take Two Academy*.
